Dear Roger,

Thank you so much for the £150 you have donated for Amigos' Kira Farm Development Centre and that you have chosen us as your charity for this year. We're hugely appreciative of everyone who stands with us in this important work.

As you may be aware, all of the students at Kira Farm come from damaged backgrounds, some have grown up in Internally Displaced Persons' Camps, some have been forced to fight as child soldiers, while others have been orphaned through HIV-related illnesses. At the centre these young people have the chance to turn their lives around, and we're thrilled to see so many Kira graduates successfully doing this today.

May I say again that we are delighted that you have chosen to support the work at the centre. Thank you for partnering with us in this way; the more we travel this road, the more we know that, together, it really *is* possible to change young lives.

For the children,
